Timber Drive is home to a 21st Century Community Learning Center! The 21st Century Community Learning Center grant allows the YMCA of the Triangle to provide an academic enrichment after school program in five area elementary schools in Wake County- including Timber Drive. This program will help students meet performance standards in core subject areas including reading and math, at no charge to them.

This program includes well-structured and engaging activities that inspire children to learn using a variety of innovative methods. The 21st Century Community Learning Center is open to all children (grades 1-5) at Timber Drive on a year-round basis. Contact Matt Douglas at 919-987-8772 or at Matt.Douglas@YMCATriangle.org for more information about this great program.
